

EVEN MORE “WHAT IFS”

As a follow up to the original “What Ifs”, here are suggestions for EVEN more.

Remember, “What Ifs” work well with all ages, mixed ability groupings. Some subjects are more suitable or some age groups than others.

1. What if we could remember everything accurately?
2. What if you were alive 200 million years ago?
3. What if Hitler has died in WWI?
4. What if we were born without empathy?
5. What if there were averts in the sky?
6. What if you could stop time?
7. What if there was no coal?
8. What if there were no dogs?
9. What if we had no vocal chords?
10. What if there was no sugar?
11. What if we could make ourselves invisible?
12. What if there was only one language across the world?
13. What if the telephone hadn't been invented?
14. What if the Romans had never built an empire?
15. What if Henry VIII had remained married to Catherine of Aragon?

To your success!
