

MORE “WHAT IFS”

As a follow up to the original “What Ifs”, here are suggestions for more. Remember, “What Ifs” work well with all ages, mixed ability groupings. Some subjects are more suitable or some age groups than others.

1. What if a hole was drilled straight through the Earth?
2. What would happen if the North and South Poles swapped places?
3. What if there was no internet?
4. What if the Earth was flat?
5. What if money didn't exist?
6. What if we all stopped eating meat?
7. What if plastic was never invented?
8. What if time travel was possible?
9. What if all insects disappeared?
10. What if you had a clone?
11. What if humans became cold-blooded?
12. What if you had the strength of a super hero?
13. What if we'd never started hunting whales?
14. What if Earth's tectonic plates never moved?
15. What if everyone cycled to work?

*To your success!
